Terms and condition of contract:

Attached General Terms and Conditions for freight transport orders of DSV Group Germany 09/2024 shall apply.

In deviation from the terms and conditions (09/2024), the following adjustment shall apply:

The replacement prices for non-exchanged loading aids agreed in No. 3.10 of the terms and conditions (as of 09/2024) will be adjusted from 10.00 EUR per Euro or Duesseldorfer pallet to 20.00 EUR and for a skeleton container from 100.00 EUR to 140.00 EUR. In all other respects, the provisions of the terms and conditions (as of 09/2024) shall remain unaffected.

Special requirements :

You are obliged to continuously update the IOC (collection status) on the collection day and the IOD (delivery status) on the delivery day of this Transport Order via either the Weblink, which is identified on the Transport Order itself, or the Driver-App.

You are also obliged to upload the Proof of Delivery (POD) / Consignment Note / Pallet exchange document immediately after the delivery.

Failure to meet these requirements in full will result in the following penalties as listed below which will be deducted from the

Credit Note for the Transport Order:

- * 5 Euro for a missing IOC (collection status) per shipment
- * 5 Euro for a missing IOD (delivery status) per shipment
- * 50 Euro for a missing POD (Proof of Delivery) per shipment

Kind regards
